

The PKF hospitality group is the internationally recognised market leader in hospitality consulting for almost 100 years. We provide a full range of consulting and other services for the hotel, living, tourism & leisure sectors. Our clients include international hotel groups and operators as well as project developers and investors, to whom we offer a complete portfolio of consulting services, from feasibility studies and operator searches to transaction consulting, project development, asset management and tourism master plans.

Research is the key to all our services. To strengthen our global team in **London**, we are looking for

Consulting & Research Trainees

for a period of at least six months, starting **between July and September 2025**.

Your Tasks

- research covering global markets, using a variety of sources, including online channels, industry journals, official publications, and databases
- collecting data of selected hotel properties as well as global tourism and hotel market data for various PKF databases and events
- analysing data and insights
- working closely with our Managing and Senior Consultants in global hotel consulting projects
- preparing presentations and reports for our global events
- assisting with daily business activities and organization of events

Your Profile

- mandatory internship in the course of studies (hotel management/tourism) at a UK-based higher education institution
- on-the-job work experience (preferably in the hotel/tourism industry)
- reliable and diligent, with extreme attention to detail
- open minded, team-oriented, flexible, and able to work independently and under pressure
- excellent research and analytical skills, keen on research, big data collection and analysis
- highly proficient verbal and written language skills in English is a must, knowledge of other languages is an advantage
- proficient in Microsoft Office (Word, Excel, PowerPoint)
- global perspective and ability to travel
- right to work in the United Kingdom (sponsorship not available)

Our Offer

- be part of the leading hospitality consulting firm
- active participation in building the world's largest hotel supply database
- diversified work in an interesting, global environment
- friendly and team-oriented working atmosphere with flat hierarchies
- diverse and multinational team, working together across borders
- professional development and further training
- develop hotel-specific know-how within the framework of real estate projects

We believe that diversity makes us a stronger firm and look to employ people with different backgrounds, ideas, styles and skillsets.

If you are interested in joining the leading hospitality consulting firm, please submit your application (CV + cover letter) to recruiting.london@pkfhospitality.com.
