asset management

Eliana Levine joined the PKF hospitality group in 2021 and is based in New York. In her present capacity as a Junior Consultant, her activities include feasibility studies and development services throughout the US, Canada and Latin America.

Prior to joining the PKF hospitality group, Eliana worked with Global Asset Solutions to advise hotel owners and operators in navigating the COVID-19 crisis and worked for Marriott International within the regional operations team for Singapore, Maldives, & Malaysia with a focus on operations and finance. Eliana gained further operational experience in upscale and luxury hotels in Tel Aviv and Cleveland, Ohio.

Eliana graduated with honors from École hôtelière de Lausanne (EHL). She earned a Bachelor of Science degree in International Hospitality Management with a specialization in Hotel Planning & Development, Hotel Asset Management, Influence & Leadership, and People Analytics.

Eliana earned a Certificate in Hotel Industry Analytics (CHIA) and is a recipient of the HAMA Europe Student Award.
