

We're on the hunt!

The PKF hospitality group is an internationally recognised market leader in the field of hospitality. We provide a full range of consulting and other services for the hotel, living, tourism & leisure sectors through our four advisory divisions – PKF hotelexperts, PKF livingexperts, PKF tourismexperts and PKF leisureexperts. Our clients include international hotel groups and operators as well as project developers and investors, to whom we offer a complete portfolio of consulting services, from feasibility studies and operator searches to transaction consulting, project development, asset management and tourism master plans.

To strengthen our team in **New York**, we are looking for a

Trainee in Research + Consulting

for a period of at least three months, starting **immediately**.

Your Tasks

- research covering global markets, using a variety of sources, including online channels, industry journals, official publications, and databases
- collecting data of selected hotel properties as well as global tourism and hotel market data for various PKF databases and events
- analysing data and insights
- working closely with our Managing and Senior Consultants in global hotel consulting projects
- preparing presentations and reports for our global events
- assisting with daily business activities
- organization and marketing of virtual and in-person events

Your Profile

- reliable and diligent, with extreme attention to detail
- open minded, team-oriented, flexible, and able to work independently and under pressure
- excellent research and analytical skills, keen on research, big data collection and analysis
- highly proficient verbal and written English language skills is a must, knowledge of other languages is an advantage
- proficient in Microsoft Office (Word, Excel, PowerPoint)
- global perspective and ability to travel
- ability to work in the US (i.e. US passport, green card, or similar)

Our Offer

- be part of the leading hospitality consulting firm
- active participation in building the world's largest hotel supply database
- diversified work in an interesting, global environment
- friendly and team-oriented working atmosphere with flat hierarchies
- diverse and multinational team, working together across borders
- professional development and further training
- develop hotel-specific know-how within the framework of real estate projects
- adequate remuneration

We believe that diversity makes us a stronger firm and look to employ people with different backgrounds, ideas, styles and skillsets.

If you are interested in joining the leading hospitality consulting firm, please submit your application (CV + cover letter) to recruiting@pkfhospitality.com.
