areas of expertise:

feasibility studies
valuations + appraisals

Nicole Börner joined the PKF hospitality group in 2018 and is based in Vienna. In her present capacity as Manager of Feasibility Studies & Valuations, she is involved in leading the global teams in charge of feasibility studies as well as valuations + appraisals.

Prior to joining the PKF hospitality group, Nicole gained operational experience by carrying out various traineeships in luxury hotels in Vienna and Toronto, in addition to working for an international bank and a fine-dining restaurant in Vienna.

Nicole obtained her bachelor's degree in Tourism and Hospitality Management from Modul University Vienna, including an exchange semester at La Rochelle Business School for Tourism and Hospitality Management in France. Nicole has a master's degree in International Tourism Management from Modul University.
